

STATE ROUTE 92 PROJECT DETAILS

- S.R. 92 is the main east-west corridor for the communities of northeast Lehi, Highland, Alpine and Cedar Hills.
- Project length: six miles from I-15 to the intersection of S.R. 92 and Alpine Highway (S.R. 74).
- Type of road: five-lane arterial with Commuter Lanes. Commuter Lanes are one-lane in each direction with entrance/exit points at specific locations. (see project map for general area).
- Commuter Lanes will bypass intersections, allowing motorists to connect to and from I-15 more quickly. Lanes run from Highland Blvd. to the east frontage road.
- Trail segments will be built along the corridor.
- Additional sections of trail will be constructed by area cities and Utah County.
- Contractor: Flatiron/Harper

FUNDING

Approximately \$139 million

SCHEDULE

Phase	Dates
Environmental	Complete
Contractor Selected	April 2009
Notice to Proceed	May 2009
Start of Construction	August 2009
Construction Ends	Summer 2011
